

## We make financing easy.

Your home improvement dreams can come true with GEOSmart® Financing, sponsored by EGIA. The entire loan process, from application to funding - is fast and easy, designed to turn your plans into reality.

Your project is an investment in your most important asset, your home. Your energy efficient home improvement - whether it's a new HVAC unit, solar energy solution, radiant barrier or other insulation, or replacement windows and siding - will add comfort and value to your home while reducing energy costs.

**Upgrading your home with energy efficient measures is a wise investment. GEOSmart® Financing provides you the options you need to complete your project today.**

A GEOSmart® revolving line of credit is perfect for ongoing home improvement projects. It is one line of credit that you can use for all your projects. You will enjoy flexible minimum monthly payments and generous credit lines.

### Look for an EGIA "Approved Contractor"

To assist homeowners in selecting a qualified contractor, EGIA established the "Approved Contractor" designation. This certification gives homeowners confidence that they are working with a premier and quality focused service provider. Only EGIA Approved Contractors can offer GEOSmart® Financing.

EGIA "Approved Contractors" have met the following criteria:

- Verification of valid contractor license
- Satisfactory Dun & Bradstreet check
- Satisfactory credit check
- Verification of business financials
- Trade reference check and verification

### About EGIA

The Electric & Gas Industries Association (EGIA) is a non-profit organization dedicated to advancing energy efficiency and renewable energy solutions, and a leader in providing resource efficiency services for utility companies and water agencies. EGIA sponsors the nationally recognized GEOSmart® Home Improvement and Solar Financing programs from GE Money.
